SPONSORSHIP

Join a Community of Leaders.
The International Living Future Institute connects a global network of dreamers and doers that share a common passion: create a world that is socially just, culturally rich and ecologically restorative. Our Living Future Challenge umbrella provides a framework for the remaking of everything that leads to a true Living Future for all.

Our sponsors are bringing global solutions to the local stage. We have designed the enclosed sponsorship packages to assist you in meeting your goals, and gaining the recognition you deserve. Shine a spotlight on your efforts and spur your company into the innovation corridor.

Partner with the Institute today as a sponsor, and support the transformation toward communities that are socially just, culturally rich and ecologically restorative.

Contact our Development Team to discuss your best fit. development@living-future.org

“
It’s not climate change, it’s everything change.”
—MARGARET ATWOOD
Our sponsors

Gain Recognition
Grow awareness of your unique sustainability efforts

Build Relationships
Collaborate with conference attendees to build new business opportunities

Facilitate Learning
Provide development opportunities for your employees and stakeholders

Highlight Innovation
Showcase company visionaries and leading-edge practices

The value proposition for an Institute Sponsorship is clear. Join us to maximize brand interaction and pronounce your commitment to a Living Future.

“Having thought leaders from the companies that are creating the green building industry’s innovative future as collaborators is essential. Their commitment to a Living Future is shaping the future.”

—AMANDA STURGEON, CEO
The Living Future unConference is a unique forum for the green building movement’s advanced thinkers and practitioners to come together to share their expertise and innovation. Join us in Portland, OR May 1-4 2018, as a Sponsor, deliver your message to decision makers and hear the latest trends affecting the green building industry.

The Institute believes that change must and will come from the very roots of our communities. Our local companies, cities and campuses are leading this effort, adopting sustainable practices, conserving scarce natural resources and focusing attention on health + productivity. Membership with the Institute creates a unique partnership to facilitate employee learning, build relationships and open-up unexplored opportunities.

Corporate Membership

Corporate Membership is designed for organizations of any size that want to get their employees engaged with sustainability. Available for both large and smaller organizations, Corporate Member benefits include:

- Employee access to register Living projects and products
- Organization-wide leadership opportunities
- Discounts to Living Future, Net Positive and the Living Product Expo
- Professional training and On-Demand Education access
- Online subscription to our quarterly Trim Tab magazine

Companies with more than 20 employees: $5,000
Companies with less than 20 employees: $3,000

Municipal + Campus Membership

Municipal + Campus Membership is designed for cities and university campuses that are creating regional solutions to today’s most pressing problems. If your team is working to pave the way towards a regenerative future, the Institute invites you to explore a Municipal + Campus Membership.

Available for $5,000, Municipal + Campus Member customizable benefits may include:

- Individual memberships to the International Living Future Institute
- Two tickets to the Living Future Conference and additional discounts to other events
- On-demand education access for municipal staff
- Consultation with Living Community Challenge staff
- Invitation to join the Living Community Network, the LC50
