GROUP LFA OPTION

In groups of 5 or more, the enrollment price for the LFA Foundational Curriculum is reduced by one third!

Each learner who joins the LFA group becomes eligible to apply their Living Future Member discount (10%) to the LFA Foundational Curriculum for a total 35% discount on the course package. The member discount may not otherwise be applied to this course package.

Groups can be composed of colleagues at the same organization, or across multiple organizations (such as various members of an LBC project team). Other groups of learners may also be eligible; inquiries are welcomed.

Listed below are some of the many organizations who have already pursued LFA together:

- Arup
- Calico Studio
- DLR Group
- GGLO
- Grimshaw Architects
- Group14 Engineering
- HDR, Inc.
- Integral Group
- LATITUDE | Regenerative Real Estate
- M Moser Architects
- Overland Partners Architects
- Red Studio Inc Architects
- Steinberg Hart Architects
- Turner Construction Company

BENEFITS OF PURSUING GROUP LFA

- Reduce the overall cost of accreditation
- Grow your organization's capacity to work on and advocate for advanced sustainable design projects
- Confidently respond to and lead projects pursuing Living Future Challenge certifications and labels
- Have a breadth AND depth of regenerative design knowledge on the team

After LFA achievement, we encourage learners to share key takeaways and identify areas of expertise within the group.

HOW TO ACHIEVE LFA WITH A GROUP

1. Identify at least 5 learners to establish the group, and a group organizer to coordinate directly with ILFI. (The organizer is not required to be a learner within the group.)
2. Email LFA@living-future.org to establish the group, receive the discount, and get enrollment guidance.
3. All learners must enroll within 30 days of receiving the discount.
4. Each learner in the group achieves LFA as an individual.
